*Author Enquiries:* For enquiries relating to the submission of articles (including electronic submission where available) please visit Elsevier's Author Gateway at <http://authors.elsevier.com>. The Author Gateway also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions, and more.

Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

Permissions may be sought directly from Elsevier's Rights Department in Philadelphia, PA, USA: phone 215-239-3600, e-mail [healthpermissions@elsevier.com](mailto:healthpermissions@elsevier.com). Requests may also be completed on-line via the Elsevier homepage ([www.elsevier.com/locate/permissions](http://www.elsevier.com/locate/permissions)).

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients, for those registered with the Copyright Clearance Center, Inc. (222 Rosewood Drive, Danvers, MA 01923; (978) 750-8400; [www.copyright.com](http://www.copyright.com)). This consent is given on the condition that the copier pay the stated per-copy fee for that article through the Copyright Clearance Center, Inc. for copying beyond that permitted by Sections 107 or 108 of the US Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Absence of the code indicates that the material may not be processed through the Copyright Clearance Center, Inc.

For 100 or more copies of an article in this publication, please contact the Commercial Reprints Department, Elsevier Science Inc., 360 Park Avenue South, New York, NY 10010-1710. Tel. (212) 633-3813; Fax (212) 633-3820; e-mail: [reprints@elsevier.com](mailto:reprints@elsevier.com).

Advertising representative: Display, Classified, & Recruitment Ads. Contact Alexandra Leonardo, Elsevier, 360 Park Avenue, South, New York, NY 10010. Tel: 212-633-3649/ Fax: 212-633-3820. E-mail: [a.leonardo@elsevier.com](mailto:a.leonardo@elsevier.com).

The ideas and opinions expressed in *Archives of Psychiatric Nursing* do not necessarily reflect those of the Editor or the Publisher. Publication of an advertisement or other product mention in *Archives of Psychiatric Nursing* should not be construed as an endorsement of the product or the manufacturer's claims. Readers are encouraged to contact the manufacturer with any questions about the features or limitations of the products mentioned. The Publisher does not assume any responsibility for any injury and/or damage to persons or property arising out of or related to any use of the material contained in this periodical. The reader is advised to check the appropriate medical literature and the product information currently provided by the manufacturer of each drug to be administered to verify the dosage, the method and duration of administration, or contraindications. It is the responsibility of the treating physician or other health care professional, relying on independent experience and knowledge of the patient, to determine drug dosages and the best treatment for the patient.
